We provide Platforms and create Opportunities to meet, interact, and work with the greatest Masters of the industry. Talks, Workshops and Group Discussions, are organised from time to time.

OUTDOOR PHOTO WALKS & TOURS

Our Outdoor Photo Tours, guided by professional Mentors, constitute a very unique Curriculum. Regular Photowalks and Review Sessions enable our students to keep up with Productivity, Consistency and Quality.

TEAM CSCP STUDENTS, DISTINGUISHED MEMBERS AND MENTOR

The key motivational factor for the inception of this establishment was a dearth of structured professional training, particularly in the development of innovative and unconventional techniques, in photography. Our vision is to create an organised and disciplined approach towards photography, stressing on the development of creative contemporary skills in our students, and ideate towards more original and fresher outlooks.
